OUR PROGRAMS & FACILITIES

ABOUT US

Founded in 1988 by Ma. Angeles P. Fullerton, Chosen children Village Foundation, Inc. is a haven for abandoned and surrendered children with physical and mental disabilities.

It solely relies on donations and sponsorship of private corporations and individuals who wholeheartedly believe in our cause to provide a loving, inclusive, and permanent home to the physically, mentally, and socially challenged.

OUR MISSION

Our mission is to nurture, educate, train and provide opportunities for children with disabilities so that they can maximize their potential and become productive, self-reliant members of the community despite their disabilities.

OUR VISION

A Christ-centered village where children, in spite of physical, mental, and social disabilities live meaningful, productive and satisfying life

Arantza Rehabilitation Center

Physical & occupational therapy is an integral part the children's journey towards independence and, ultimately, a better quality of life. This is the underlying mission of the rehab team.

The flags represent the countries of our donors and sponsors

Our Residential Department

We currently have 72 children with varying disabilities and medical needs reside in the village. Their daily care and upbringing fall into the capable, patient hands of our caregivers. They are the mamas (mothers) and papas (fathers) of our children, ensuring that they remain in good health.

The School for Chosen Children

Education is the key to every successful society and this is the reason why The School for Chosen Children was established. It provides the children basic and vocational training thru projects like **The Second Look Store** and **Hacienda**.

Javier Nutrition Center

The center prepares and serves all the meals for the children and staff, with the goal of promoting optional nutrition for all. It's also available for guests who would like to celebrate their birthdays and other special days with our children.

Nowadays, a large portion of our fresh produce comes from our vegetable garden and farm. Excess produce and other food items prepared by the children are sold through **Pinili Kitchen**.
